35th Anniversary

Saturday, April 7th, 12-4pm

Open House

208 S. Gowdy, Whitewright, TX 75491

You are invited to a self-guided tour of this restored 1901 Queen Anne Victorian home built by Guy Hamilton. This celebration also commemorates Whitewright's 140th anniversary. Visitors can view many major artworks by well-known professional artist Marilyn Todd-Daniels. Come see how God's creativity has flowed through her gifted hands.

As a special treat, there will be a portrait demonstration in the studio from 2-4pm. At nearly 82 years old, Marilyn hopes you will come and bring your artistic children to watch this unique presentation.
